RESOLUTION:

1. Online meeting of BOG started at 11 AM. The principal Mohd Yousuf Ali, member secretary invited all the members of the governing body.
2. Sri. Paparao garu Chairman of the society explained about the college functioning and establishment. Due to various reason like less number of students opting for engineering education even after maintaining good infrastructure and faculty admissions are less.
3. Dr Sridevi madam , Professor, JNTU Nominee, Reviewed about the infrastructure and staff and other facilities. She insisted to concentrate on academics like attendance of the students and teaching methodologies , placements etc,
4. Dr Shekhar babu, member, suggested to concentrate on Teaching methodologies, like course outcomes , program outcomes, mapping , blooms taxonomy etc so that we can move forward for Accreditation process. He also suggested to appoint Doctorates in each department to improve the quality of teaching staff.
5. B k Rao garu, member, suggested to have a better interaction with the industries. Suggested to expose the students to the industry, in the form of industrial training, internship etc
6. Due to less response to traditional courses ,it is decided to increase intake in computer related courses by decreasing in other courses from next academic year.

Meeting was concluded with vote of thanks by the principal.
