Save water campaign near batasingaram:

This public water conservation campaign raised awareness in all levels of society about the importance of saving water to cope with its scarcity and ensure sustainability. The aim is to change citizen attitudes and behavior to improve water use efficiency. This programme is conducted by our NSS unit on 22nd april 2022, near the batasingaram to create awareness about water wastage & it effects. Around 50 students have participated in this activity to make it successful by creating awareness door to door. Following is the sample picture of save water campaign at Residential building at Batasingaram.
